We offer the following information regarding the upholstery material that you need for your

1969 Chev Truck

We have the exact material(s) that you need, please see our samples.

We do not have the exact materials(s) that you need at this time. We are enclosing a sample(s) of our closest substitute(s).

We need to see upholstery samples or photos of what you need, in order to make an accurate match.

We make correct, pre-assembled door/quarter trim panels for your car. Contact us for complete information.

We offer headliner, trunklining, leather, and dielectrically embossed seat logos and inserts.

Please note when ordering that cloth is typically 60-65 inches wide, while vinyl is normally 54 inches wide.

We accept the following methods of payment:

- 1) Check or money order in advance
- 2) Charge orders via telephone, mail, or e-mail using VISA, Mastercard, Discover, or American Express
- 3) PayPal for customers outside the U.S.

Thank you for contacting SMS Auto Fabrics for your upholstery needs.
